## News from Mrs Hey

Dear Parents,

During this past fortnight the students from Year 2 to 6 had the opportunity to meet in their new house teams and listen to speeches from some of the Year 6 leaders who had been nominated for house captains. The quality of speeches was terrific and gives me great hope for quality of leadership we are developing here at Trinity.

We acknowledge that every student has a part to play in leading our community by using their gifts and therefore, after the voting, each student then nominated themselves to be part of a leadership team.

Congratulations to the Year 6 students:

# 2020 Enrolments

## OPENING SOON

On March 7th we will be holding our Open Day from 9am - 11am  
for all new students who wish to join Trinity in 2020.

If you can't make it and wish for an enrolment pack to sent home with  
your child who already attends Trinity please contact the office either by  
phone or e-mail and we can organise to send a pack home.

## Recycling Bins

Thank you to Bunnings Minchinbury who donated four recycling bins to help with our sustainability initiative. This was a result of letters written by the 2018 Year 3 students at the end of last year. We are once again promoting 'Nude Food Wednesdays' where students are encouraged to bring food that requires no single use packaging.

## Emmaus Siblings

To ensure the safety of all students, particularly in the busy car park area, Emmaus siblings are not to collect Trinity students and walk them to the car without the presence of a parent. In exceptional circumstances please contact Mrs Hey to discuss alternative arrangements.

## Extra- curricular opportunities at Trinity

We are extremely fortunate to have many extra-curricular opportunities at Trinity: garden club, French knitting club, Makerspace and coding club are some that we have on offer this term. Thank you to the teachers who use their talents and interests to run these clubs. We also have a games room that operates at lunchtimes to offer a quiet play option for students.

## Reading Fun Afternoon

Each term we invite parents to come along, bring a picnic blanket and a couple of books that you would like to read with your child. This is to promote the pleasure of reading and for children to see adults model great reading behaviour. The Term 1 'Reading for Fun afternoon' is on Friday 8<sup>th</sup> March at 2.15pm. We hope to see many of you here.

## Student Banking

Thank you to Christine Julianne who will again be our school banking co-ordinator. This year banking will be on **Mondays** and will commence on Monday 4<sup>th</sup> March.

## Second Hand Uniforms

Thank you to the families who have donated items to the second hand uniform supply. We are in need of a parent who could spare an hour or so to organize these new donations into sizes. Please contact the office if you can help.

## Nut aware school

We have several children at Trinity who have severe allergies to nut products and therefore we request that parents do not send any food with nuts to school. Thank you for your support.

## Dance Fever Challenge - Help Needed

The Dance Fever Challenge is coming up on 5<sup>th</sup> April. We need some help with simple costumes – there is not a lot of sewing, it will be mostly cutting material.

If you can help with this please let the office know. 8856 6200

## School Fees

CEDP has advised us that the 2019 school fee statements that were due to be posted on Monday 18th February have been delayed. There has been no indication when the statements will be posted to your home. The delay will mean that all payment due dates will be extended.

## Parents Approaching Children

Parents are reminded that they are **never** to approach other children or parents if they have a concern. Your first point of contact should always be the class teacher.

### Mobile phones / Apple watch devices at school

Students who bring mobile phones or Apple watch devices to school are required to sign them in to the office each morning upon arrival to school and collect them from the office as they leave. Thank you for reminding your children of this.

## Mamre MEETING

Our first Mamre meeting for the year will be on **Monday 11<sup>th</sup> March** at 6.30pm. The Mamre meeting is for parents to come along and be involved in the school in various ways. We have a

number of fun social and fundraising events that can only happen with the help of parents and we are always looking for new ideas and volunteers. At the Term 1 meeting we will discuss Mothers' Day, the Games Night and the Bush Dance.

### Opening School Mass

Our Opening School Mass is being held at St Clair Parish on **Wednesday 27th at 11-45am**. Come and see our leaders receive their badges and join in prayer.

### Zone Swimming Carnival

Butterflies were all a flutter for ten amazing swimmers anxious to represent Trinity at the Nepean Zone Swimming Carnival on Tuesday 19<sup>th</sup> February. For most of them it was their first experience representing our school and they did us proud. They each swam their personal best times and their nerves turned into excitement and relief once they got into the water. Congratulations to Audrey, Tegan, Madeline, Eirene, Greta, Sabrina, Bryce, Jesse, Lucas and Ethan for your fantastic efforts. Thanks to the mums and dads who came to support and to Mr Trotter for supporting the day as a timekeeper.

**Well Done!**

## *Transforming Learning: from Curiosity to Clarity*

### **HSC High Achievers Assembly 14<sup>th</sup> February 2019 celebrating our best results ever!**

The College welcomed back the 2018 HSC high achievers last Thursday with students attaining a Band 6 in a course; First place in a course and achieving an ATAR above 90 recognized for their fine efforts and dedicated hard work. It was a great privilege and pleasure to name

#### **Harrison Zussa as the College Dux for 2018 scoring an ATAR of 94.75.**

Harrison spoke to the student body at this assembly around how he achieved this result and effectively he indicated it was down to a strong work ethic; self-regulation and motivation and forming strong bonds with his peers and teachers around learning methods. Harrison will now study a Bachelor of Law course at the University of Technology Sydney. Congratulations Harrison and best wishes on your next journey.

*The HSC results for Emmaus in 2019 were our best ever with the highest band 6's; highest combined band 5 & 6's; fewest band 1 & 2; most band 6's ever in Advanced English (4); highest number of subjects above state average; 1<sup>st</sup> place in the Diocese in Society and Culture; 5 students achieving an ATAR above 90 and 78% of cohort receiving first round offers to University.*
